

To all Members

Round 1 of the FA Cup and Club Championship has been completed – See below for results and the Club Championship table (on page 2).

Until now, if you were knocked out of the FA Cup, you didn't play any further part in Cup rounds. In the interests of fairness to all players, every team now gets to play on in the Club Championship, where divisional champions and our overall club champion will be decided.

In Round 2, FA Cup matches continue to double for Club Championship points, and the remainder of the Club Championship draw is determined using the Swiss tournament system.

Under the Swiss system, teams on the closest amount of points are scheduled to play, provided that no two teams will play each other more than once.

The Club Championship will continue all year.
