- Round 4 results – Please check results and let me know of any discrepancies
- The overall Championship table. Current leader is **Tiger Cubs**.
- Your division table – The division you started the year in remains your division all year. **Current leaders are Tiger Cubs (35A), Non-Pure Blondes (35B), Loose Nuts (35C), Coast Roar (45A) and Brighton (45B).**
- Cup Round 5 is scheduled for the week commencing 15 September 2014 – see the draw for dates and times.

Although the overall club champion will be decided, a **champion will also be awarded in each division**.

So whilst you may play teams from other divisions, you're challenging for overall club champion – and for club champion in your division.

The Championship operates under the Swiss system, where **you are drawn to play teams on the closest points to you**, without playing the same team twice.
